

Blood Tribe Department of Health

Employment Opportunity

TITLE: Advanced Care Paramedic (ACP) – firefighter
DEPARTMENT: Blood Tribe Emergency Services

Date Posted: March 7, 2018

Position Starts: As soon as possible

Employee Class: Full Time Permanent

Reporting to: Assistant Chief

SUMMARY OF WORK:

Under the direction of the Deputy Fire Chief of the Blood Tribe Emergency Services, you are accountable to deliver fire suppression, prevention, and pre-hospital emergency care at the Advance life support level in accordance with your professional designation as Advance Care Paramedic (ACP) NFPA 1001 (as defined by Alberta College of Paramedics and be an "Active Practitioner without Restrictions").

DUTIES AND RESPONSIBILITIES:

- Access the extent of injuries and work within the Advanced Care Paramedic (ACP) scope of practice as set by the health professions act and BTES protocols.
- Conduct patient assessment, initiate treatment including administering medication, conducting external cardiac defibrillation in accordance with Basic and Advanced Life Support Patient Care standards and base hospital protocols.
- Demonstrates leadership, as the Advanced Care Paramedic is the highest medical authority in the pre-hospital setting with few exceptions. Directs patient care as provided by co-worker and other emergency service workers. Collaborates with other emergency workers to ensure safety for all at the scene and to problem solve patient extrication and care issues.
- Initiates and utilizes therapeutic techniques to manage life threatening conditions adhering to protocols approved by the medical director. Initiates contact with case hospital to provide data on patient status, treatment protocols and to obtain information/clearance for further on scene treatment/intervention.
- Maintains required documentation on drugs used during the shift; in accordance with legislation, branch and base Blood Tribe department of Health policies, procedures and protocols.

Professional Qualifications:

- Successfully completed training as an Advanced Care Paramedic (ACP) NFPA 1001 from an approved program
- Registered with the Alberta College of Paramedics
- Be an "Active Practitioner without Restrictions".
- Valid CPR health care provider, and all qualifications the meet the requirements of the Health Professions Act and Regulations.
- Must have a minimum of grade 12 diploma or equivalent.
