JOB POSTING

POSITION: Site and Quality Supervisor
DEPARTMENT: Blood Tribe Housing
STATUS: Term (Project Based)
POSTING OPEN DATE: September 4, 2018 **POSTING CLOSING DATE:** September 18, 2018

GENERAL DESCRIPTION:

Reporting to the Plant Manager, Operations or assigned representative, this position is responsible for overseeing site construction of the project according to the design and safe construction practices. The position ensures timely communication to the Project Manager of all quality, safety, schedule and cost issues.

The Site and Quality Supervisor performs, administers and advises on work concerned with assuring the quality of products acquired and used by the Company for various projects. The Site and Quality Supervisor is responsible for implementation and monitoring of the Company's Quality Control and Assurance program in accordance with the Company's quality standards. The Site and Quality Supervisor is also responsible to strictly enforce compliance with all contract specifications and drawings of all materials and work performed at the jobsite as well as to analyze and report all adverse quality issues and initiate corrective action

QUALIFICATIONS:

- Journeyman and/or related certifications and site management experience
- 2 – 5 years' experience in managing small to medium size commercial or residential construction sites
- Experience in modular or pre-engineering buildings is preferred
- Must have a valid driver's license and reliable transportation

If you are interested in this opportunity, please submit a cover letter, resume, and copies of your credentials to:
