

# Blood Tribe Department of Health Inc.

## Employment Opportunity

**TITLE:** Mentor MCH/PCAP (1 Male/1 Female)

**DEPARTMENT:** First Steps for Healthy Babies – Community Health Services

---

### SUMMARY OF WORK

- To provide support to pregnant women and families with infants, and young children so that they can reach their fullest developmental and lifetime potential.
- Responsible for conducting family assessments, develop and implement prevention and intervention strategies (including addictions, homelessness and family violence) to stabilize families and refer to existing community resources for longer term family support programs.
- The Parent Child Assistance Program (PCAP) focuses more on those with existing addiction issues, clients are mothers and families with infants and young children, from prenatal to the age of 3 years.
- The Maternal Child Health Program (MCH) focuses more on the at-risk young mothers with infants or young children, from prenatal to the age of 6 years.
- Each mentor will work with both programs PCAP & MCH.

### PROFESSIONAL QUALIFICATIONS

- Diploma in Early Childhood, Social Work, and or Addictions Services diploma
- One-year experience in Addiction Field or working with families
- Current CPR (BCLS/HCP) certification
- Valid Class 4 Driver's License
- Knowledge and understanding of the Blackfoot culture and community.
