

District Managers

Manitobah Mukluks is an Indigenous-owned Canadian company that produces authentic mukluks, moccasins and accessories. Recognized as one of Canada's Fastest growing companies for 5 years in a row and named in the Top 150 Most Iconic Canadian Brands, Manitobah products can be found in 50 countries and over 1,000 retail outlets. Our vision is to build a vibrant, global brand that makes a significant impact in Indigenous Communities through community initiatives, education and mentorship opportunities.

Manitobah Mukluks is looking for **Temporary District Managers** for a duration of 4 – 6 months. As a District Manager you will be a *Warmth Ambassador* for Manitobah Mukluks *and* a dynamic team leader. You will own the success of your own travelling road shows and stand-alone pop up stores in your district. You will work closely with your team and provide a world-class brand experience for our customers.

If you're friendly, energetic and enjoy connecting with people, we want to meet you!

Duties and Responsibilities

- Recruit and develop store managers by providing support or assistance
- Develop and create sales strategies and sales targets
- Provide leadership, guidance and support to all store managers related to store operations, HR, logistics
- Enable store managers to create a feeling of **warmth** and community within their stores
- Responsible for ensuring the execution of company standards and maximizing sales within their district, incredibly focused on consumer & brand experience
- Deliver store merchandising standards and support as needed
- Approvals of budgets (travel, car rentals, expenses)
- Payroll allocation and budgeting
- Ensures that customer service standards are consistently executed, and operational excellence is maintained in all stores

Qualifications and Skills

- Experience leading and managing multiple stores
- Minimum 2 years experience managing / overseeing multiple store locations including operations, logistics & HR & customer / brand experience
- Post-secondary education in business or retail considered an asset
- Outstanding communication and relationship-building skills
- Highly efficient planning, organizing, time management in completing deadlines
- Flexible availability – including nights, weekends and holidays

Experience:

- Retail Management: 2 years (Preferred)
